## **Lane Closures on IL 64 over Ferson Creek and Mill Creek**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Illinois 64 over Ferson Creek and Illinois 64 over Mill Creek, in Lilly Lake and Campton Hills, beginning, weather permitting, Monday, May 1. The closures are necessary to replace the box culverts on the structures that carry Illinois 64 over Ferson Creek and Mill Creek.

In order to complete the work, Illinois 64 will be reduced to one-way traffic with temporary traffic signals at both locations. Brookside Drive will be closed at Illinois 64 for the duration of the project with a posted detour that will direct traffic around the construction site.

The overall project will be completed in Summer 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
